

The Citizen Police Academy

Presented by the

Schaumburg Police Department

The Citizens' Police Academy has proven to be a very popular program within our Community Policing efforts. Residents and business community members such as you will be afforded the opportunity to meet and interact on a personal level with many members of the Schaumburg Police Department. You will be exposed to many facets of law enforcement with class topics that are both interesting and informative. The experience is not limited to classroom lecture alone. You will be given the opportunity to participate in a patrol ride-along, participate in firearms training, practice mock traffic stops, and conduct room searches.

We certainly hope you will consider joining us for an upcoming session of the Schaumburg Citizen Police Academy. We hold a spring and fall session every year. Each CPA session runs for 10-weeks with classes held on Wednesday evenings from 6:30pm to 9:00pm. You do not need to attend every week to be able to graduate.

Through the Citizens Police Academy, we hope to provide an environment that will help foster relationships between the police and community. It is our desire that the graduates will become partners with us in identifying problems and solutions to quality of life issues that face our community. For additional information contact Sgt. Nebl at 847-348-7276 or jnebl@ci.schaumburg.il.us.
