## Schaumburg Police Accepting Applications for Citizen Police Academy

The Schaumburg Police Department is currently accepting applications for the fall session of the Citizen Police Academy. Anybody 18 years of age and older who reside or work in Schaumburg are eligible to apply. Classes are held at the police station on Wednesday evenings from 6:30pm until 9:00pm. The fall session starts on March 24<sup>th</sup> and runs for 10-weeks with graduation on May 26<sup>th</sup>.

Over the last 12 years the Citizens' Police Academy has proven to be a very popular program within Schaumburg's Community Policing efforts. Residents and business community members are afforded the opportunity to meet and interact on a personal level with many members of the Schaumburg Police Department. Attendees will be exposed to many facets of law enforcement with class topics that are both interesting and informative. The experience is not limited to classroom lecture alone. Attendees are given the opportunity to participate in a patrol ride-along, participate in firearms training, practice mock traffic stops, and conduct room searches.

Through the Citizens Police Academy, the Schaumburg Police Department hopes to provide an environment that will help foster relationships between the police and community. It is our desire that the graduates will become partners with us in identifying problems and solutions to quality of life issues that face our community. John Nebl at 847-348-7276 or [jnebl@ci.schaumburg.il.us](mailto:jnebl@ci.schaumburg.il.us).
