

The Citizen Police Academy

Schaumburg Police Department

The Citizens' Police Academy has proven to be a very popular program within our Community Policing efforts. Schaumburg residents and business community members will meet and interact on a personal level with many members of the Schaumburg Police Department over the course of the CPA. You will be exposed to many facets of law enforcement with class topics that are both interesting and informative covering patrol, investigations, traffic, support services, and training. The experience is not limited to classroom lectures alone. You will be given the opportunity to participate in a patrol ride-along, participate in firearms training on the range, practice mock traffic stops, and visit the 9-1-1 central dispatch center.

We certainly hope you will consider joining us for an upcoming session of the Schaumburg Citizen Police Academy. We hold a spring and fall session every year. **Each CPA session runs for 10-weeks with classes held on Wednesday evenings from 6:30pm to 9:00pm.** You need to attend 75% of the sessions to be eligible to graduate and join our Citizen Police Academy Alumni Assoc.

Through the Citizens Police Academy, we hope to provide an environment that will help foster relationships between the police and community. It is our desire that the graduates will become partners with us in identifying problems and solutions to quality of life issues that face our community. For additional information contact Sgt. Nebl at 847-348-7276 or jnebl@ci.schaumburg.il.us.
